Comments \*:

\* Enter comments describing the batch then click the Create button

**PLEASE READ THIS FIRST**

1. Kontak kantoor vir AFRIKAANSE weergawe hiervan en die geboorte kennisgewing kodes.
2. A birth notification must be completed for each calving (calf alive or dead, for or not for registration as well as abortions/ dead calf)
3. Fee : Received up to 120 days after birth = no fee, thereafter a late fee.
4. Always check that the tattoo marks in the animals ear correspond with the ID number on the certificate.
5. It is the responsibility of the breeder to make sure that the information on the birth or calbook certificate matches his records.
6. Embryo calves will only be processed if the "Schedule O" form is submitted together with a manual birthnotification - contact office for details.
7. The office will acknowledge receipt for every batch within two working days by e-mail, if not YOU MUST CONTACT THE SIM-OFFICE.
8. Click now on "create" below and on the next screen you have the following options:
  - i. "Add" for entering a new birth notification
  - ii. "List all my batches" for all batches processed up to date.
